

**Color Me Mine
TO-GO KITS
have everything
you need to
paint at home!**

- Scroll through the pictures of our shelves and color wall.
- Select your pottery pieces and paint colors. We will pack them up with brushes to use and painting instructions.
- When you are finished painting, let pieces dry several hours before wrapping them up.
- Return your entire TO-GO KIT to Color Me Mine within 7 days. We will glaze and fire your pottery so it will be shiny, non-toxic, and food safe.
- We will notify you via email when your pieces are ready for pick up (in about a week).

Pricing is just like in the studio – \$9 paint, glaze, and fire fee plus the price of your pottery item. Payment can be made in the store at time of pickup or over the phone the day of pick-up for curbside service.

Curbside service is available for TO-GO KITS and pottery pick-ups. Park in the designated spot, call us, and we will meet you curbside.

Paint Colors

Top color shows 1 coat (will see brush strokes.) Bottom color shows 3 coats (solid.)

Tips to keep in mind while selecting colors:

- Dark colors will show on top of light colors, but light colors do not show well on dark colors.
- Choose a light base coat if you want to paint designs on your piece.
- Remember to paint 3 coats if you want a solid coverage.
