

# Color Me Mine®

**TO-GO KITS have everything you need to paint at home!**

- Select your pottery pieces and paint colors. We will pack them up with brushes to use and painting instructions.
- When you are finished painting, let pieces dry thoroughly before wrapping them up.
- Return your entire TO-GO KIT to Color Me Mine within 7 days. We will glaze and fire your pottery so it will be shiny, non-toxic, and food safe.
- We will notify you via email when your pieces are ready for pick up (in about a week).

Pricing is just like in the studio – \$9 paint, glaze, and fire fee plus the price of your pottery item.

We also offer curbside service for TO-GO KITS and pottery pick-up. Park in the designated spot, call us, and we will meet you curbside.
